Your 2014–2015 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

B. High School Completion Status

Provide one of the following documents that indicate the student’s high school completion status when the student will begin college in 2014–2015:

- A copy of the student’s high school diploma.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student’s General Educational Development (GED) certificate, an official GED transcript that indicates the student passed the exam, or a state-authorized high school equivalent certificate.
- For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- For a homeschooled student from a state where state law requires the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a homeschooled student from a state where state law does not require the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

A student who is unable to obtain the documentation listed above must contact the financial aid office.
C. Identity and Statement of Educational Purpose (To Be Signed at the Institution – you may instead choose to use the notarized form below)

The student must appear in person at ______________________________________________ to verify his or her identity by presenting a valid government-issued photo identification (ID), such as, but not limited to, a driver’s license, other state-issued ID, or passport. The institution will maintain a copy of the student’s photo ID that is annotated by the institution with the date it was received and reviewed and the name of the official at the institution authorized to collect the student’s ID.

In addition, the student must sign, in the presence of the institutional official, the following:
