

2010-11 Verification Worksheet

Federal Student Aid Programs

Independent

FORM APPROVED
OMB NO.1845-0041

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of your (and your spouse's, if you are married) 2009 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or your school may send corrections electronically or by using your Student Aid Report.

Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won't be delayed. Your financial aid administrator will help you.
